Re: Notification for implementation of curbside bike and scooter parking

Notice # 19-175-PSD

Dear Chairperson,

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and /or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

DDOT proposes to:

1. Remove one (1) parking space at the northeast corner of the intersection of M St and 28th St NW.
2. Install bike racks and decals to direct bike and scooter parking in the curbside lane in the form of a "micromobility corral." Each corral will be able to accommodate six bicycles and six scooters. Design of corral is below.

DDOT anticipates the following benefits from this action:

- Provides a well ordered parking area for Dockless vehicles.
- Does not impact sidewalk space, reducing clutter and pedestrian inconvenience.

Micromobility Corral Design:
