MEMORANDUM

TO: DDOT and DDOT Contractors
FROM: Dawit Muluneh, P.E., Chief Engineer 
DATE: December 20, 2018
SUBJECT: Design & Engineering Manual (DEM) – January 2019 Update

Effective January 1, 2019, all new DDOT projects must comply with the new Design & Engineering Manual (DEM-January 2019). The updated DEM is posted on DDOT's website under "Projects and Planning-Standards and Guidelines" and accompanied by a file showing track changes from the June 2017 edition.
